

# UNIFIED SCHOOL DISTRICT NO. 429

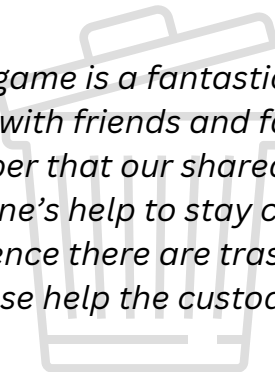

## MISSION STATEMENT

The mission of Troy Public Schools and community is to provide students with the skills that will prepare them to become life long learners and responsible productive citizens.

### DISTRICT MOTTO

We are a school where students and staff excel; parents and community care.

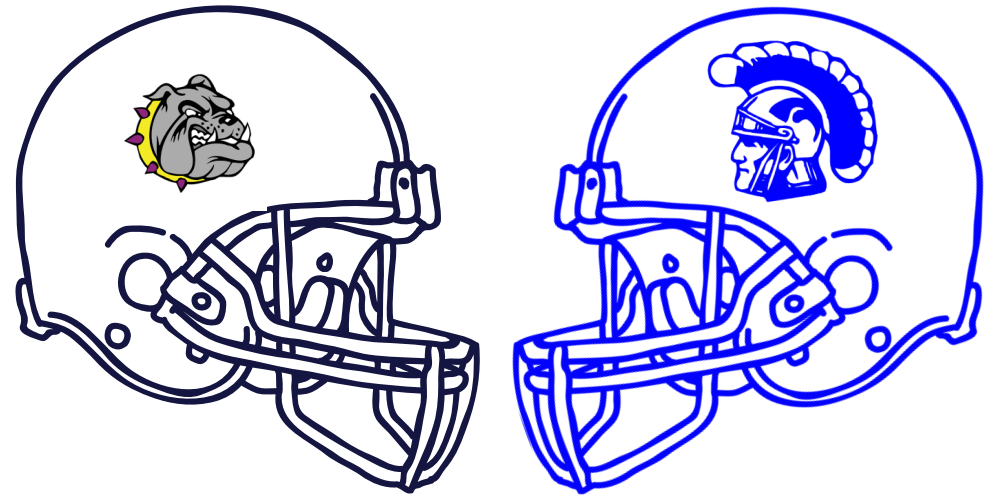

*Attending a football game is a fantastic way to support your team and enjoy time with friends and family. However, it's important to remember that our shared spaces, like gyms and fields, require everyone's help to stay clean and enjoyable for all. For your convenience there are trash cans spread out around the area please help the custodians keep these areas clean.*
